## **YOUR WEDDING AT St JOHN'S**

### **FEE STRUCTURE - 2010/2011**

At St John's we are committed to making your wedding as memorable and special as possible. As each wedding is unique the Minister will work with the couple to ensure their particular needs are met. Standard are those are stated below with fees where appropriate.

#### **PREPARE:**

In the preparation for your marriage the Minister will need to know that he has provided adequate assistance to you emotionally and spiritually for you to make your vows in a meaningful way. Couples will need to complete the PREPARE program – a questionnaire which looks at the strengths of the relationship and detects any possible 'work areas' which need to be addressed before the marriage. The Rector or his nominee is trained in this process and facilitating the follow-up sessions. This also qualifies you to receive a workbook 'Building a Strong Marriage', which includes a series of exercises to strengthen your relationship.
